

Omkar Wrishi

Actor | Video Presenter | Videographer | Editor

Summary

Creative professional with experience in acting, videography, photography, video editing, and content creation. Having appeared in two feature films and produced a wide range of visual content, I am passionate about storytelling through both performance and camera work. Creativity is not just my profession but a part of my everyday life, driving me to constantly learn, create, and explore new ideas.

Experience

Freelance Multimedia Producer & Presenter (Sep 2025 – Present)

- Conceptualized, filmed, and edited premium video campaigns for luxury interior design firms, contributing to a career portfolio of 100+ fully produced videos across corporate and freelance assignments.
- Served as the on-camera video presenter for diverse design projects and walkthroughs, contributing to a total of 30+ presentations across freelance and corporate contracts.

Multimedia Executive

Evolux Solutions (Jun 2025 – Aug 2025)

- Produced, presented, and edited engaging video content, introducing fresh creative approaches and handling key on-camera presentation duties.
- Integrated AI prompt engineering into the production workflow, accelerating concept development for multimedia marketing and visual design.
- Collaborated with creative team, establishing strict quality benchmarks for all deliverables.

Independent Filmmaker & Creative Freelancer

Feb 2025 – May 2025

- Worked on independent short film projects across acting, cinematography, editing, and production support.
- Expanded creative portfolio through self-initiated filmmaking and content creation projects.

Content Creator

Feza Interiors (Aug 2024 – Jan 2025)

- Planned, shot, and edited targeted marketing videos highlighting premium interior design and architectural projects.
- Synchronized visual storytelling with marketing goals to drive higher engagement across digital platforms.
